

The support we offer is

Confidential, free, and individually tailored.

We believe in a person-led approach to recovery.

This includes:

- A safe place to stay
- Safety planning
- Therapy & counselling
- Legal, financial & housing advice & advocacy
- Stalking support service
- Family fun sessions, trips & activities
- Children's support services

Recognise the signs...

Does your current or previous intimate partner, or family member...

prevent access to sexual health education & care?

hurt you?

track you?

control your gender expression?

insult you?

limit access to LGBT+ spaces & community?

control your money?

use your immigration status against you?

blackmail you with explicit images?

control what you wear?

make you doubt your reality?
